Owasco Audi ,

Noche Caliente! What a vibrant, warm and exciting evening it was! Thank you for celebrating our 16th annual Northumberland Hills Hospital Foundation Gala with us.

For those of you who joined us for the first time and to those who have supported us for 16 years - we truly thank you.

This year we were moved by the outstanding generosity in the Fund Me initiative. Over \$59,000 pledged in less than ten minutes is nothing short of incredible.

This funding helped; *“establish the laparoscopic gynecologic surgery at Northumberland Hills Hospital, which has many advantages over the traditional open surgery such as; less blood during the surgery, less pain, a better appearance, safer and shorter recovery time. Typically you will have the surgery as an outpatient and go home the same day”*. – says Dr. Nasser Abu Awa.

By taking part in this evening, participating in the auctions, or trying your luck in our Doctors' Raffle you are truly helping our medical staff save lives.

We hope you have received the Gala magazine full of wonderful memories of the evening. Pictures have also been added to our Facebook page (www.facebook.com/NHHFoundation). If you did not receive the Northumberland News newspaper with the magazine please let us know and it would be our pleasure to put aside a copy of the magazine at the office for you.

Please find enclosed your donation receipt representing the eligible portion of the ticket price. **Thank You** again for supporting the NHH Foundation and by making a difference in our community.

Sincerely,

Laura
